3:57 PM **me**: http://www.theblogmocracy.com/2010/03/20/barrett-brown-another-progressive-bigot-and-racist/
3:58 PM **BushwickBK.com**: good work
3:59 PM **me**: read the last two paragraphs
4:01 PM **BushwickBK.com**: I
where do you even start to correct this person
me: good question
was going to today but decided I'd write about Russian protests instead
BushwickBK.com: sometimes poeple are so wrong you can even find a thrad to pick at and start pulling
*can't even

6 minutes

4:08 PM **me**: yeah,
4:09 PM the best part is just the "look at this guy he's really white so he must be racist," particularly coming after the "Brown called R.S. McCain a racist just because he's proud of his white southern heritage"
4:10 PM and coming from a conservative
one of many who advance the "LIBERALS CALL US RACIST JUST BECAUSE WE DON'T VOTE FOR OBAMA"
I don't even know why I'm telling you this
4:11 PM **BushwickBK.com**: haha me neither
venting can be good tho
me: well, it's not like I'm mad
also, have had more than a dozen fairly capable/competent people e-mail me and pledge allegiance to Project P
Project PM over the past 48 hours
4:12 PM after I posted an initial manifesto on reddit
these are non-bloggers, I mean
BushwickBK.com: so no 3jane
me: will be organizing non-bloggers into a separate contigent
nope
Project PM is better
allegedly stands for Purge Media
actually stands for Panther Moderns
BushwickBK.com: nice
haha
4:13 PM **me**: also designed a secret neo-esoteric symbol

as seen at the bottom of this piece
http://trueslant.com/barrettbrown/2010/03/20/the-internet-skepticism-and-self-perpetuating-revolution/
and got Cowherd on board, too

4:14 PM so sub-network will comprise both individuals and organizations under our umbrella
expanding the scope of the conspiracy, then

BushwickBK.com: real conspiracies are awesome

4:15 PM **me**: I know
also, I have proved that secret societies and conspiracies exist
by creating them myself
or at least, that they could exist

BushwickBK.com: haha

me: the best part is
that I can tell anyone I want about it
and it won't matter

4:16 PM because of the dynamic whereby it is not considered respectable for journalists to give any attention to such things

BushwickBK.com: well you know the people who believe the illuminati shit hardcore think the conpiracy info is put out there on purpose
to taunt the theorists

me: yep
not to taunt them

4:17 PM but to discredit any actual revelations
I may do the same thing
put it out there that the goal of Project PM is to obtain Texas independence in order to gain access to its space port

BushwickBK.com: haha

4:18 PM **me**: and then I could try to do that anyway as a long-term goal
did I send you the network summary?

4:19 PM **BushwickBK.com**: nope

me: okay, will do that now
insomuch as that Cowherd will be involved
we can make a sub-goal to cause trouble for Brooklyn Democratic machine
